Kindergarten Clubhouse
1st-5th Grade Chapel

DISCOVERY SKILL SESSIONS

What are Skill Sessions?

Skill Sessions are classes taught by people who both love Jesus and desire to share with children a specific skill or talent.

The skill leader's goal is to disciple children through intentional relationships formed during class times.

Students really enjoy these fun classes where they learn a skill or hobby and also get to know some great people who really care about them. These classes are available for students in 1st through 5th grade.

What is Breakout All About?

Breakout is a program for 3rd-5th grade students and is designed to move children in the direction of spiritual growth and maturity through building relationships in a Life Group just for kids.

It is a 3-year program that will help children Know Christ, Grow in Christ, Serve Christ and Share Christ with those they come in to contact with. Students will begin with the first year curriculum whenever they enter the program. Students who complete all three years of the curriculum are invited to participate in a weeklong outreach or mission trip.
