

Text to Give

Text any amount to 84321 to give/

The first time you text, a list of churches will pop up. Choose SPCC. Then you'll be asked to setup a payment method. Existing PCO donors can log in to their profile to select a previously used payment method.

After setup, all you have to do is send any amount to 84321 to give!

Want to donate to specific or multiple funds?

You can indicate a specific fund by adding the fund name after the donation amount. For example: "\$5 missions".

You can also split donations between funds in a single text. For example: "\$5 missions \$6 gcf" or "\$5 to missions and \$6 to gcf."

Our fund codes are:

- "GCF" for Alliance Missions (formerly great commission fund)
- "SPMF" for smokey point mission fund
- "missions" for missions
- "general" or "spcc" for general fund

**Standard message and data rates may apply.*
